I hope the edged weapon you bought from [Sword Sales EU](#) is as good or even better than you expected. I like to believe most of our customers receive something superior to what they had imagined based on their comments back to me after delivery. I also like to believe we offer exceptionally fast delivery in comparison with other militaria suppliers, where items bought from us are dispatched within 1 working day.

Please leave your honest comments here by replying to this message. Also please mark us out of 10 in the poll; if you think we were excellent, please vote 10/10. 😊

Many thanks

Mark

One of the best militaria dealers I have done business with. Quick replies, honest seller, great prices, fantastic stock. Goes the extra mile. Next time I am in the market for an edged weapon, Antique Sword Sales and Mark will be the first place I will shop. Thanks again Mark for the great sword.

James

Fantastic first time experience !!!

As a militaria collector, I want a website that is well laid out, high res pictures of the items for sale, honest descriptions and easy navigation.

Well, I was blown away with Marks site!

I ordered my sword and it arrived very quickly. First class packaging made the whole experience a great one. Also noted was that the shipping price I was charged matched exactly what was on the documentation. Wow, not many honest and fair dealers like this around!

Mark, an excellent website, excellent items and a great guy to deal with!!

Many thanks - "I'll be back" !!!!!

Hi Mark

You already know about what I think of Sword Sales UK because I wrote to you after I received the sword I bought from you last week.

I wish to write this 'review' simply because I want other prospective customers of 'Antique Sword Sales - SwordSales.EU' to have what I did not have when I

bought my beautiful sword from SwordSales.EU..... prior knowledge.

My story is short and simple. Being Portuguese and living in the UK with a son who's half Portuguese and half English, I wanted him to have a real sword from

Portugal. Without much hope thinking that antique genuine swords are beyond the means of ordinary people, perused the internet. How wrong I was.... I found

several websites selling antique swords but there was something honest and professional simplicity about about Antique Sword Sales - SwordSales.EU

SwordSales.EU had a Portuguese sword. I contacted 'Antique Sword Sales - SwordSales.EU' about two months ago and they immediately gave me all the

information I needed together with better quality photos.

I had worries.... after all I had never bought anything that expensive over the internet from an English dealer of antique who lives in Portugal but I sent 50% of the

price and 50% a week later.

I only want to reassure anyone considering buying from "Antique Sword Sales - SwordSales.EU"

Do not hesitate.... They are professional and totally honest. After I sent the money they confirmed receipt at their bank and I received the sword within 3 days of

paying them.

The sword arrived in a sturdy, very strong box of tough carton, and the was wrapped with so much care in layers of that transparent plastic cover with air bubbles

(don't know th name) it came registered and 'Express' for a mere £31.

The sword:

Instead I received an antique sword, in PERFECT condition. "Antique Sword Sales - SwordSales.EU" smeared the sword in fine grease to prevent oxidation (and because we handled the sword all the time, I have removed the grease, though.

I will most definitely buy from them again. They have 6 or 7 swords I have my eye on and atprices I can afford. They have a sword that was t the battle of

Trafalgar... but that one I cannot afford !!!

Many thanks, 'Swords Sales EU', for the help, the professionalism and most of all the care you took with my sword and the carewith which you packed it.

Francis, London, England

Bought a F-S dagger, great communication, honest price, fast shipping and well packed. Will certainly buy again. Gave "excellent" as score..... but was in fact "best" but hey... nothing wrong with trying to improve, even when you are in fact already the best.... 😊)
