sword with a beautiful provenance: I'm very pleased with it.

As for the shipping (track&trace), and the communication in this respect: exactly as described on your website!

Thanks again!

As a novice sword collector I visited Mark web site & was very impressed with the layout, picture & information on each sword & the advice that was given to me by Mark.

I purchased a Pattern 1899 Cavalry Trooper sword & also a Pattern 1885P cavalry Trooper Sword both swords arrived within 1 week of ordering, the quality & condition of these sword was better than what I was expecting in excellent condition.

First class packaging made the whole experience a great one. Also noted was that the shipping price I was charged matched exactly what was on the documentation. Wow, not many honest and fair dealers like this around!

I look forward doing further business with Mark in the very near future, top guy

Regards Alan

I have just received my first sword bought from Antique-Swords-Eu. Amazing sword and amazing service. Sent from Portugal and received in Western Canada only ten days after ordering and shipping. This is very quick believe me. The package was sent using the postal services of Portugal (CTT) and Canada (CP), which meant there were no hidden tariffs added either.

The sword was beautifully packed and was well protected from the 'elements'. What more could I ask for, as the sword itself was every bit as nice as I had hoped it would be.

Hopefully there will be more like this to come!

Thank you M.

Thanks for another outstanding sword: a P1897 Flights Ltd infantry officer's sword.

Exactly as described, and very fast shipping.

Till the next time!

Thanks Mark for a great sword and excellent service. A smooth overseas transaction. I will be watching your website to see if a couple of other items on my "wants" list show up in the future. I have no hesitation in dealing with Mark again, and firmly recommend his business to others.
