I just received [this lovely sword](#) , I have to admit, the item look even better in person than in the pictures.

It was my first purchase of an antique sword be it on internet or anywhere else for that matter and I was very pleased with the celerity, and amiability, to respond to my questions. Fair price for shipping, good prices on the swords, a very good and informative description of the sword too. I've looked quite a lot around before buying, and this is the best I could find. For anyone who live in Europe it's a real delight to have such a reliable dealer. I will most definitely buy again, it's hard to refrain my self to do it again really soon.

And I love the sword but this is not the topic at hand.

Jean-François.

I have just purchased another cavalry sword from Mark at Antique Swords (EU) this one being my 6th Sword & it is once again another excellent sword to add to my collection. The sword was better than the pictures that were posted on his site & the overall condition was just as Mark had described. I would recommend Antique Sword (EU) to anyone. Thanks again Mark

Thank you Mark for another excellent transaction. I am very happy with the sword, the description, the packaging and the freight.

I wouldn't hesitate to buy from you again. I check your website for updates almost daily (OK I confess it is daily 😊)

I always appreciate your honesty and knowledge in describing swords.

Merry Christmas!

Thanks,  
Jamie

Thanks Jeroen and Jamie

I am very glad that you both like your purchases :-)

I know the feeling of happiness and disappointment, so it does make me happy when I do something right.

Hi there Mark,

Received the sword last week and I am very happy.

Would definitely buy from you again.

Once again thank you for the outstanding item and service.

Cheers

Gavin

Really great buying experience. I purchased a 1889P VRI Victorian British Infantry Staff Sergeant's Sword which was actually better than I had expected and it came well packaged and tracked as Mark advised it would. I will recommend this site to all my friends and colleagues!
