The 1908P I bought from you arrived today and I couldn't be happier with its condition, thanks for making my first major international private purchase very easy and trouble free.
 Thumbs up to the Portuguese postal service too, they got the package to Sydney in nearly the same time as it took Australia Post to get it to Darwin!

Once again thanks very much for a top sword and worry free transaction and I will definitely be doing business with you again.

Cheers Mate.

Just a note to say how pleased I am with the professional and courteous dealings that I have had with Mark at SwordSales. With possibly the most reasonable/accurate/consistent pricing regime in the business and an exceptional stock list it wasn't long before I found the first of what I am sure will be many excellent additions to my growing collection. Mark's hi-res photos and honest descriptions of items combined with a friendly, helpful manner and the fast delivery of extremely well packaged items has placed him among the top in his field. Now all I have to do is find a horse...

Here Here

I'm very new to collecting and Mark has been extremely helpful and generous with his time. Many site want money for help identifying. I also regularly visit his website and drool at the swords I cannot afford at this time, but I have my eye on a few. Be in touch soon Mark 😊

Regards

Gavin

Hi Guys

Thank you very much for your kind words. Though Gavin, if you have not actually bought anything from me, you can not yet leave me customer feedback!

Cheers

Mark

Both swords showed up the other day and now I've had time to inspect them. They are both in better condition than I had planned, and both exceeded the beauty displayed in the photographs. Thank you very much. Shipping to the U.S. was fast and secure.

In life you have to trust others at times; such trust is based on opinions, perception and service. To which, I am very happy to report that Mark at Swordsales.EU is a true and honourable gentleman, whom I consider with high regard and trust. Transactions are completed swiftly, easily and most importantly with absolute honesty, hence the placement of additional orders to expand a fledgling collection.

There isn't enough good things I can say about Mark and SwordSales.EU. His professionalism and constant communication made the experience of buying a sword from him a pleasure. I am new to sword collecting and Mark made my the purchase of my sword easy, and swift. Not an simple feat when you are better then half way around the globe from him. Rest assured when doing business with him. Mark is honest, professional, and knowledgable. Definitely one of the best.
